Brandy Brown is a single mother of two children. Her oldest has lived with her for two years and the youngest was just born but lived with her its whole life. She wants to claim them on her taxes.

Shes a cook at a local fast food resturant.

Brandy does not have a bank account so she is unsure how she can receive her refund and asks your help explaining. She really needs this as fast as possible. She has her fees witheld but would like to hear about the garentee we have. Shes scared of being in an audit as shes done that before.
